

Opening Doors

Connecting Torfaen

Hub: _____ meets Opening Doors aims and priorities:

Providing a Focal Point for the Community <i>Helping to combat loneliness and isolation by providing a warm, safe space for people to connect and engaging in activities within the community</i>	✓
Promoting Health and Wellbeing <i>Assisting people in the community to access health & wellbeing services</i>	✓
Providing Access to Services, Agencies, and Partners <i>Giving the community access to a range of services, partners, and agencies, and actively signposting to a wide range of services</i>	✓
Connecting with Other Opening Doors Hubs <i>Working together with other Hubs within cluster areas, sharing information, ideas, and good practice, to benefit the community and not duplicate services</i>	✓
Providing Information about Other Services and Activities <i>Displaying and promoting information for the community to readily access a range of services and activities from other venues, partners and agencies</i>	✓
Promoting Activities and Services <i>Actively promoting activities and services by digital and non-digital methods</i>	✓
Providing Information & Documents for Health Check <i>To ensure the Hub is a safe place for the community to connect with all policies in place and up to date Support with governance can be provided</i>	✓
Training – Attend Training Sessions <i>Including Connect 5, Safeguarding, Governance, First Aid, etc as required</i>	✓
Networking Forum & Cluster Meetings <i>Attending quarterly networking forums & cluster meetings to connect with other Hubs, partners, and agencies</i>	✓

The above Hub commits to Opening Doors aims and priorities.
